Educators learn how to create a safe, positive learning environment where students behave responsibly and take accountability for their conduct. They explore strategies to organize and manage the classroom with increased confidence and a calm sense of control. Through professional development, educators discover how to create a learning environment in which their students can excel, and in which they can go home feeling a sense of accomplishment.

This professional development is designed for K–12 teachers, special-subject teachers, administrators, counselors, resource teachers, and substitutes. Contact the Education Company for a Free Discipline Discussion.
